INTRODUCTION

This document will define almost all the functionality of the created website. We will define how the website works on different kinds of inputs and their respective outputs. Attempts have been made for the smooth working and responsive and user-friendly interface.

Customer Registration Testing

STATE : The customer opens the portal and clicks on the Sign Up button.

SAMPLE INPUT :

CUSTOMER username : test_user

CUSTOMER First Name : Test

CUSTOMER Last Name : User

CUSTOMER CITY : newcity

CUSTOMER TELEPHONE : 9247809966

CUSTOMER EMAIL : rampreethamkanchi@gmail.com

CUSTOMER City : Tirupati

CUSTOMER street : test street

CUSTOMER Pin : 524132

Click on the submit button to get registered.

EXPECTED OUTPUT : The customer is successfully registered with the username and password. Email is sent to the user to confirm.

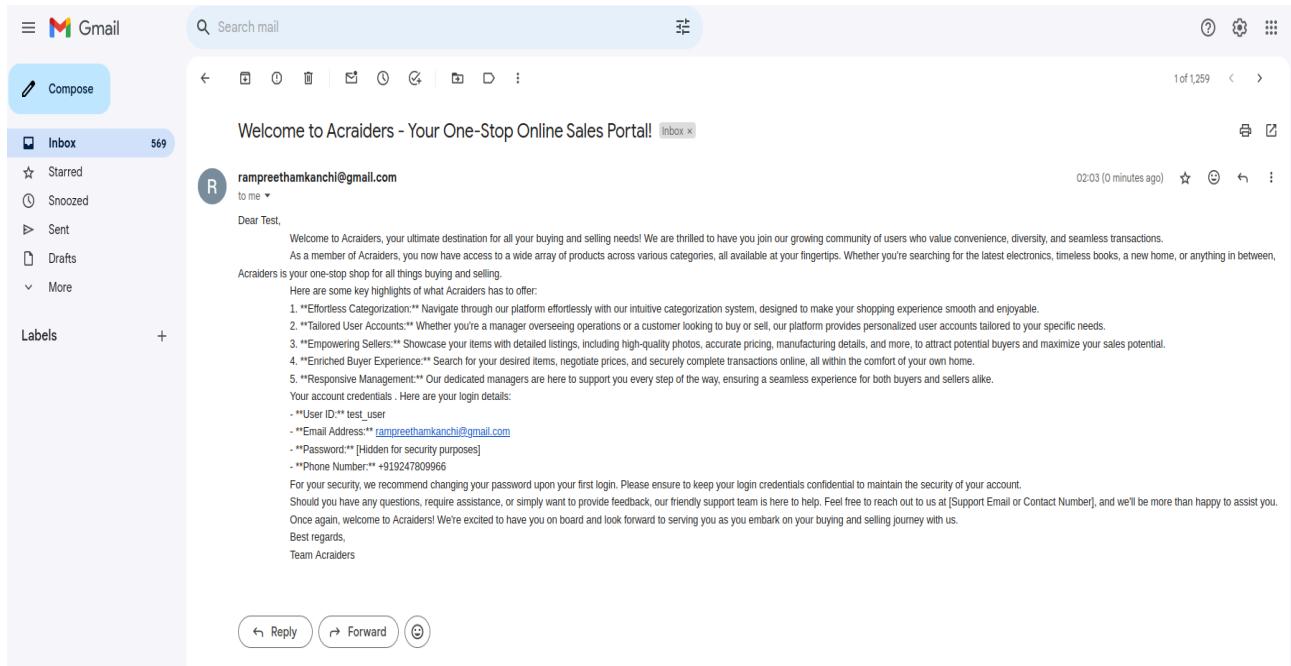

ACTUAL OUTPUT : "Registration Successful"

TEST RESULT - PASSED.

The screenshot shows a registration form for an 'Online Sales Portal'. The form fields include:

- Username:** test_user (Required. 150 characters or fewer. Letters, digits and @/./+/-/_ only.)
- Name:** Test
- User Type:** User
- Password:** (Redacted)
- Confirm Password:** (Redacted) Enter the same password as before, for verification.
- Email:** rampreethamkanchi@gmail.com
- Phone Number:** +91 9247809966
- City:** Tirupati
- State:** Andhra Pradesh
- Pincode:** 524132
- Street:** test street
- House no:** 12/543

A large blue rectangular box highlights the 'House no' field. At the bottom right of the form is a dark grey 'Register' button.

Login Testing :

STATE : The customer opens the portal and clicks on the Login button.

SAMPLE INPUT :

USER NAME : rampreethamkanchi@gmail.com(gmail)

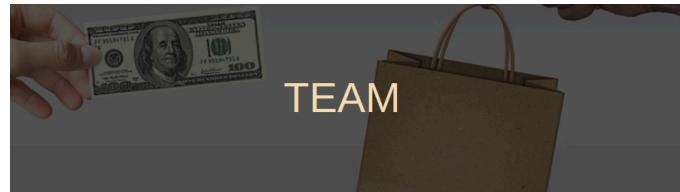

Password : XXXXX

EXPECTED OUTPUT : If username and password exists login otherwise display error.

ACTUAL OUTPUT : "Login Successful if user exists else error".

TEST RESULT - PASSED.

If user enters correct credentials

The screenshot shows a product listing for a KTM Bike. At the top, there's a navigation bar with links for 'Araiders', 'Home', 'About', 'Categories', 'Buy', 'Sell' (which is highlighted in blue), and 'Logout'. To the right of the navigation is a search bar with a placeholder 'Search' and a green 'Search' button. Further right is a user profile icon for 'test_user'. The main content area displays a product image of an orange and black KTM motorcycle. To the right of the image, under the heading 'Product Details:', are the following details:

- Product Name :** KTM Bike
- Manufacturer Name :** KTM
- Product Description :** New product. I want to sell because I want money for my treatment
- Sale Price :** 250000₹
- Remaining Quantity :** 1
- Category :** Cars and Bikes
- City :** Nellore
- Age :** 0:10:00

The footer of the Araiders website is shown against a black background. It contains three columns of information:

- ACRAIDERS**: A brief description: "Here you can sell and buy products".
- CONTACT**: Address: "IIT Kharagpur, KGP 10012, WB", Email: "acraiders@gmail.com", Phone: "+ 01 234 567 88".
- FOLLOW US**: Social media icons for Facebook, Twitter, Instagram, and LinkedIn.

At the bottom left, it says "© 2024 Copyright: Araiders.com".

Searching an item by buyer :

State : The logged in test user (as mentioned in the table) searches for the item uploaded .

Sample Input : The buyer enters the name of the product or name related to the product.

EXPECTED OUTPUT : The search results items with that name are displayed.

ACTUAL OUTPUT : The item with the searched name ("ktm") is searched.

TEST RESULT : PASSED.

The screenshot shows a web browser interface for the 'Acraiders' portal. At the top, there is a navigation bar with links for 'Home', 'About', 'Categories', 'Buy', 'Sell', and 'Logout'. To the right of the navigation bar is a search bar containing the text 'Search' and a dropdown menu showing 'test_user'. Below the navigation bar, the text 'Search results for "ktm"' is displayed. In the center, there is a product listing for a 'KTM Bike'. The listing includes an image of the motorcycle, the text 'KTM Bike', two yellow stars labeled 'Sale!', the original price '₹250000', and the discounted price '₹200000'. A 'View Product' button is located at the bottom of the listing.

The footer of the website is black and contains three sections: 'ACRAIDERS' (with the subtext 'Here you can sell and buy products'), 'CONTACT' (with the address 'IIT Kharagpur, KGP 10012, WB'), and 'FOLLOW US' (with social media icons for Facebook, Twitter, Instagram, and LinkedIn).

Raising a Request to buy an item & negotiating with seller :

Step-1:

Clicks on negotiate button inorder to request seller with a message and price

EXPECTED OUTPUT : the product should get added in my requests section and user requests section in sellers page

Actual Output : message gets displayed to seller and can negotiate further

Case-1:

Seller accepts the request after negotiation

The screenshot shows a product listing for a KTM Bike. The top navigation bar includes links for 'Afraiders', 'Home', 'About', 'Categories', 'Buy', 'Sell', and 'Logout'. A search bar and a user profile for 'nishnath' are also present. The main content area displays a KTM Bike image with the text 'KTM Bike' and a note: 'New product. I want to sell because I want money for my treatment'. Below the image, there's a yellow 'Sell' button, the original price '₹250000 ₹200000', and a quantity selector set to '1'. A text input field shows 'Enter the negotiating price: 120000'. A message box contains 'I want it for 1,20,000'. A blue 'Negotiate' button is at the bottom.

The footer section is black with white text. It features three columns: 'ACRAIDERS' (with the tagline 'Here you can sell and buy products'), 'CONTACT' (with address 'IIT Kharagpur, KGP 10012, WB', email 'acraiders@gmail.com', and phone '+ 01 234 567 88'), and 'FOLLOW US' (with social media icons for Facebook, Twitter, Instagram, and LinkedIn). A copyright notice at the bottom reads '© 2024 Copyright: Acraiders.com'.

On clicking the negotiate button:

Pending Requests

A card for a KTM Bike listing. It shows the bike image, the title 'KTM Bike', the original price '₹250000 ₹200000', and the negotiated price '120000'. Below this, it says 'Quantity Requested: 1', 'Requested Price: 120000', and 'Date of Requesting: April 8, 2024'. A blue 'Order Details' button is at the bottom right.

Step-2:

The following is the user interface at the seller's end (Seller can negotiate by typing his message):

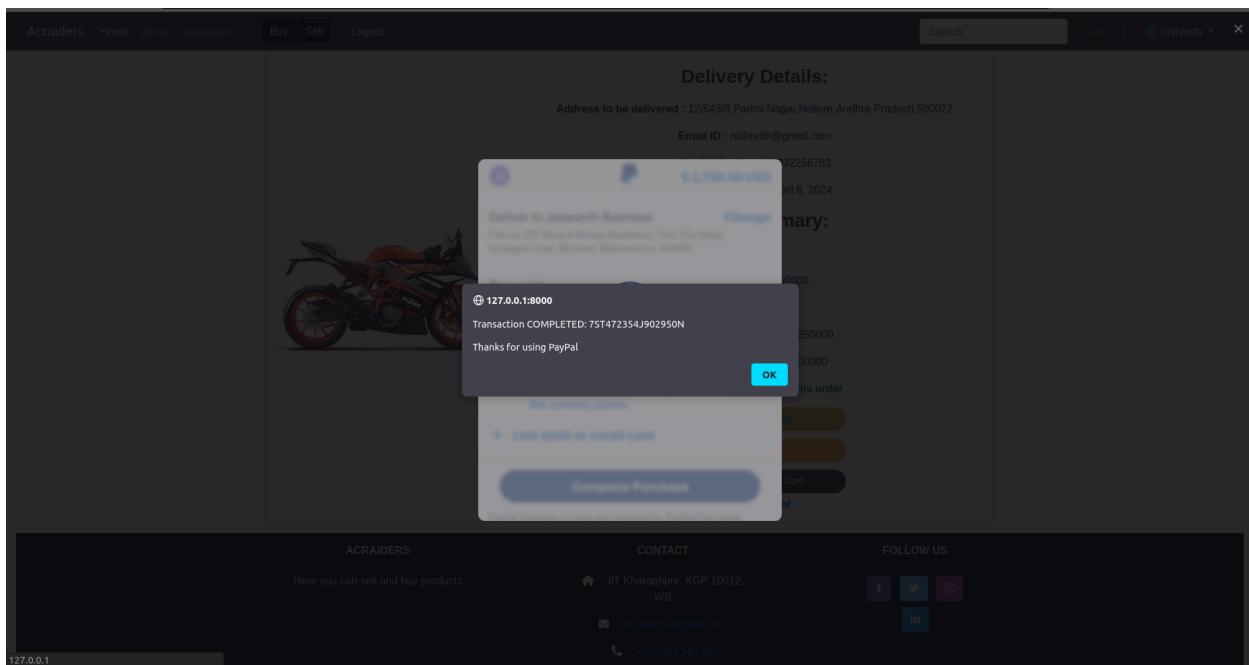

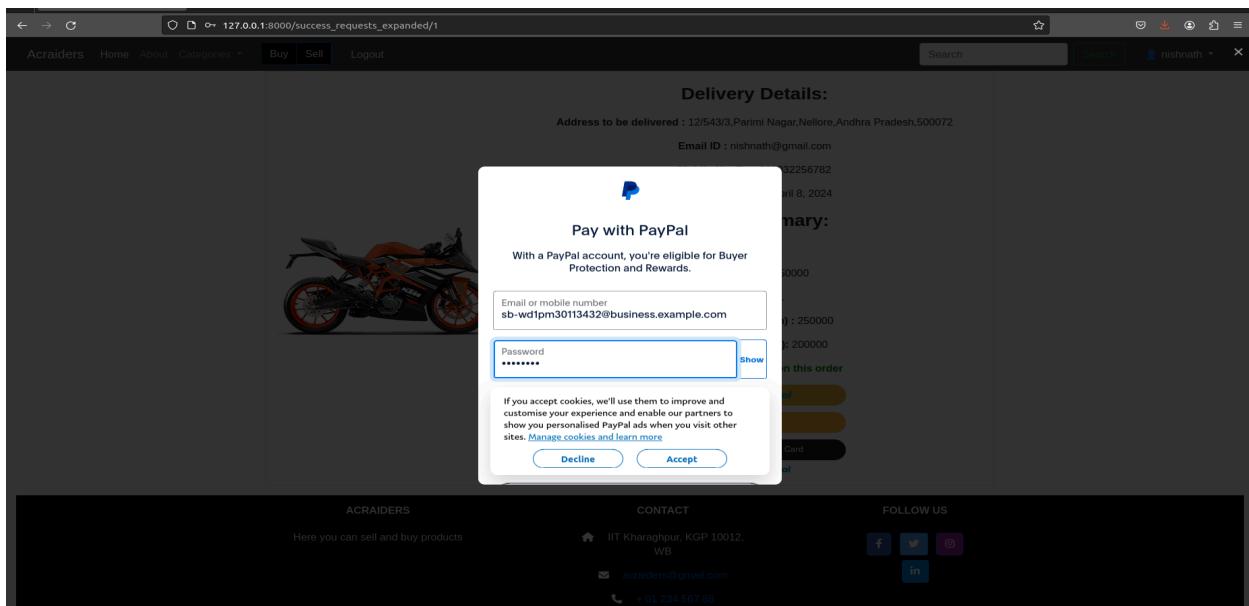

After clicking on the negotiate button by the seller. The chat gets updated at the buyer's interface in the pending requests (can see updated chat and can renegotiate the price)

After clicking on the accept button in the seller's interface the pending request in the user interface get updated to the accepted requests.so that he can buy that product

The screenshot shows a web page titled "Accepted Requests". At the top, there is a navigation bar with links for "Afraiders", "Home", "About", "Categories", "Buy", "Sell", and "Logout". On the right side of the navigation bar are search and user profile icons. Below the navigation bar, the main content area is titled "Accepted Requests". It displays a single product listing for a "KTM Bike". The listing includes an image of the bike, the text "KTM Bike", the original price "₹250000", and the bid price "₹200000". Below this, it shows "Quantity Requested: 1" and "Date of Requesting: April 8, 2024". A "Buy Now" button is visible at the bottom of the listing.

On clicking of the Buy Now button user can buy the product online:

The screenshot shows a product details page for a KTM Bike. At the top, there is a navigation bar with links for "Afraiders", "Home", "About", "Categories", "Buy", "Sell", and "Logout". On the right side of the navigation bar are search and user profile icons. The main content area has a heading "Delivery Details:" followed by delivery address information: "Address to be delivered : 12/543/3,Parimi Nagar,Nellore,Andhra Pradesh,500072", "Email ID : nishnath@gmail.com", "Mobile No : +919032256782", and "Date of Ordering : April 8, 2024". Below this, there is a heading "Order Summary:" with the following details: "Quantity :1", "Price Bidded :150000", "Order ID : 1", "Actual Cost (per item) : 250000", and "Sale Price (per item): 200000". It also states "You will save ₹50000 on this order". At the bottom, there are three payment buttons: "Pay with PayPal", "Pay Later", and "Debit or Credit Card".

After clicking on pay with paypal(Online Payment)

After online payment this page will redirect to the My Orders page and after click on the order details of the purchased it will be shown as:

The screenshot displays the Acraiders online sales portal. At the top, there is a navigation bar with links for Home, About, Categories, Buy, Sell, Logout, Search, and a user profile for nishnath. The main content area shows the following details:

Delivery Details:

- Address to be delivered : 12/543/3,Parimi Nagar,Nellore,Andhra Pradesh,500072
- Email ID : nishnath@gmail.com
- Mobile No : +919032256782
- Date of Ordering : April 8, 2024

Seller Details:

- Seller Name : test_user
- Expected time : 1 week

Order Summary:

- Quantity : 1
- Price Bidded : 150000
- Order ID : 1
- Actual Cost (per item) : 250000
- Sale Price (per item) : 200000
- You just saved ₹50000 on this order

At the bottom of the page, there is a footer section with links for ACRAIDERS (described as "Here you can sell and buy products"), CONTACT (IIT Kharagpur, KGP 10012, WB), FOLLOW US (Facebook, Twitter, Instagram, LinkedIn), and acraiders@gmail.com.

Case-2:

The Seller rejects the request after negotiation

Samsung Galaxy S21 Ultra

Samsung Galaxy S21 Ultra 5G smartphone runs on Android v11 operating system. The phone is powered by Octa core (2.9 GHz, Single core, Cortex X1 + 2.8 GHz, Tri core, Cortex A78 + 2.2 GHz, Quad core, Cortex A55) processor. It runs on the Samsung Exynos 2100 Chipset. It has 12 GB RAM and 256 GB internal storage.

After the seller clicks on the reject button the previous pending request will get updated to the rejected requests in the buyer's requests page

The screenshot shows a web browser window with the URL `127.0.0.1:8000/my_requests/`. The interface has a dark header bar with navigation icons. Below it, there are two main sections:

- Pending Requests:** This section is currently empty.
- Rejected Requests:** This section contains a single item entry:
 - Image:** A thumbnail image of a Samsung Galaxy smartphone.
 - Product Name:** Samsung Galaxy ...
 - Original Price:** ₹110000
 - Requested Price:** ₹105000
 - Quantity Requested:** 1
 - Requested Date:** April 8, 2024
 - Action:** A button labeled "Goto product page"

Buyer cannot buy heavy item if not in the same city

STATE : The buyer has searched for an item.

SAMPLE INPUT : The buyer finds it as a heavy item and cannot be delivered by seller to .

EXPECTED OUTPUT : The item is heavy and it cannot be purchased as the seller cannot deliver to another city.

ACTUAL OUTPUT : “Cannot place order as seller cannot deliver to another city”

TEST RESULT - PASSED

The screenshot shows a product listing for 'The Lord of the Rings' on the Acraiders platform. The product image is the book cover, which features the title 'THE LORD OF THE RINGS' in large letters, with 'NOW AN EPIC MOTION PICTURE TRILOGY FROM NEW LINE CINEMA' at the top and 'JRR TOLKIEN' at the bottom. The description below the image states: 'The Lord of the Rings is an epic fantasy novel by British author J.R.R. Tolkien that was first published in three volumes between 1954 and 1955. Set in the fictional world of Middle-earth, the story follows the quest of the hobbit Frodo Baggins to destroy the One Ring and defeat the Dark Lord Sauron. Along the way, he is joined by a fellowship of diverse characters who aid him in his journey. The novel explores themes of heroism, friendship, and the struggle between good and evil.' The price is listed as ₹600 ₹500, with a 'Sale!' badge. A quantity selector shows '1'. A field for 'Enter the negotiating price:' is present. A note at the bottom right says 'Cannot be deliverable'.

Manager helps negotiations

Manager gets issues in the administrator page. Managers get the description, product, seller, buyer, date and status of the issue. Through email, managers can respond to concerned individual.

The screenshot shows the Django administration interface for a 'Issues' model. The left sidebar lists various models: Groups, Addresses, Categories, Chats, Customers, Issues (selected), Managers, Orders, Products, Requests, and Users. The main content area is titled 'Change issue' and shows a form for a 'Samsung Galaxy S21 Ultra' issue. The form fields include 'Request' (set to 'Samsung Galaxy S21 Ultra'), 'Customer' (set to 'nishnath@gmail.com'), 'Seller' (set to 'varun@gmail.com'), 'Description' (containing the text 'My didnt recieve my order, its been a week'), 'Date' (set to '2024-04-08'), and a 'Status' checkbox. At the bottom, there are buttons for 'SAVE', 'Save and add another', 'Save and continue editing', and 'Delete'.

Manager performs audit of matched buy-sell of items

STATE : The manager is logged in.

SAMPLE INPUT : The manager clicks on the required type.

EXPECTED OUTPUT : The number of items that are sold, bought and not yet sold are displayed.

ACTUAL OUTPUT : The number of items sold, bought and not yet sold are displayed in a dialog box.

TEST RESULT - PASSED.

The screenshot shows the Django administration interface for a 'Products' model. The left sidebar lists various models: Groups, AUTHENTICATION AND AUTHORIZATION, STORE, Addresses, Categories, Chats, Customers, Issues, Managers, Orders, Products, Requests, and Users. The 'Products' model is currently selected, highlighted in teal. The main content area is titled 'Select product to change' and displays a list of 9 products. Each product entry includes a checkbox for selecting multiple items. The products listed are: KTM Bike, Luxury Villa in Goa, The Lord of the Rings, The Great Gatsby, The Alchemist, Dell XPS 15, OnePlus 9 Pro, Apple iPhone 12 Pro Max, and Samsung Galaxy S21 Ultra. Below the list, it says '9 products'.

Changing Password:

STATE : The Customer is logged in.

SAMPLE INPUT : The customer clicks on the edit password button and provides the old password and new password.

EXPECTED OUTPUT : If the customer enters valid credentials, then update password and redirect to profile page, else show error messages

ACTUAL OUTPUT : If the customer enters valid credentials, then it updated the password and redirected to profile page, else it showed error messages

TEST RESULT - PASSED.**If the customer enters valid credentials**

The screenshot shows a password change form on the Acraiders website. The top navigation bar includes links for Home, About, Categories, Buy, Sell, Logout, a search bar, and a user profile for 'nishnath'. The main form has fields for 'Old password*' (containing '*****') and 'New password*' (containing '*****'). Below the new password field is a validation message: 'Your password can't be too similar to your other personal information. Your password must contain at least 8 characters. Your password can't be a commonly used password. Your password can't be entirely numeric.' The 'New password confirmation*' field also contains '*****'. A blue 'Change Password' button is at the bottom.
